Muhammad Ayan Syed- AI Portfolio

- Applied AI & Robotics Student
- GitHub: https://github.com/Syedayan17/Muhammad-Ayan-Syed-AI-Portfolio.git
- Focus: Machine Learning, NLP, Robotics

Skills & Learning Journey

- Python, Machine Learning, Deep Learning, NLP
- Tools: TensorFlow, Scikit-learn, Pandas
- Projects across AI, Robotics, Data Science

Featured Projects

- 1. House Price Prediction (ML Regression)
- 2. Sentiment Analysis (NLP)
- 3. AI Robotics Simulation
- Tech: Python, ML, NLP

Technical Skills

- Machine Learning Algorithms
- Neural Networks
- Data Analysis
- Model Training & Evaluation

Future Goals

- AI Engineer Career Path
- Work in Automotive AI / Robotics
